

Appendix C:

Potential Environmental Concerns Maps

Symbol	Definition	# of Sites
	MDE LRP Site	2
	Above Ground Storage Tank	84
	Drums/Chemical Storage	40
	Dumping Area	23
	Dumpster	2
	Fuel Dispenser	47
	Hydraulic Equipment	6
	Oil/Water Separator	1
	Soil Staining/Stressed Vegetation	5
	Soil Stockpile/Cut & Fill Area	10
	Stormwater Swale/Ditch	13
	Transformers	2
	Underground Storage Tank	62
	Well	20
Total Sites		317

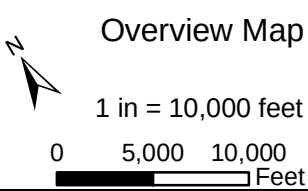

Notes:

1. The legend number in parenthesis represents the number of PECs for each category displayed on the corresponding map page.
2. The site number corresponds to the site numbers in the table provided as Appendix A.

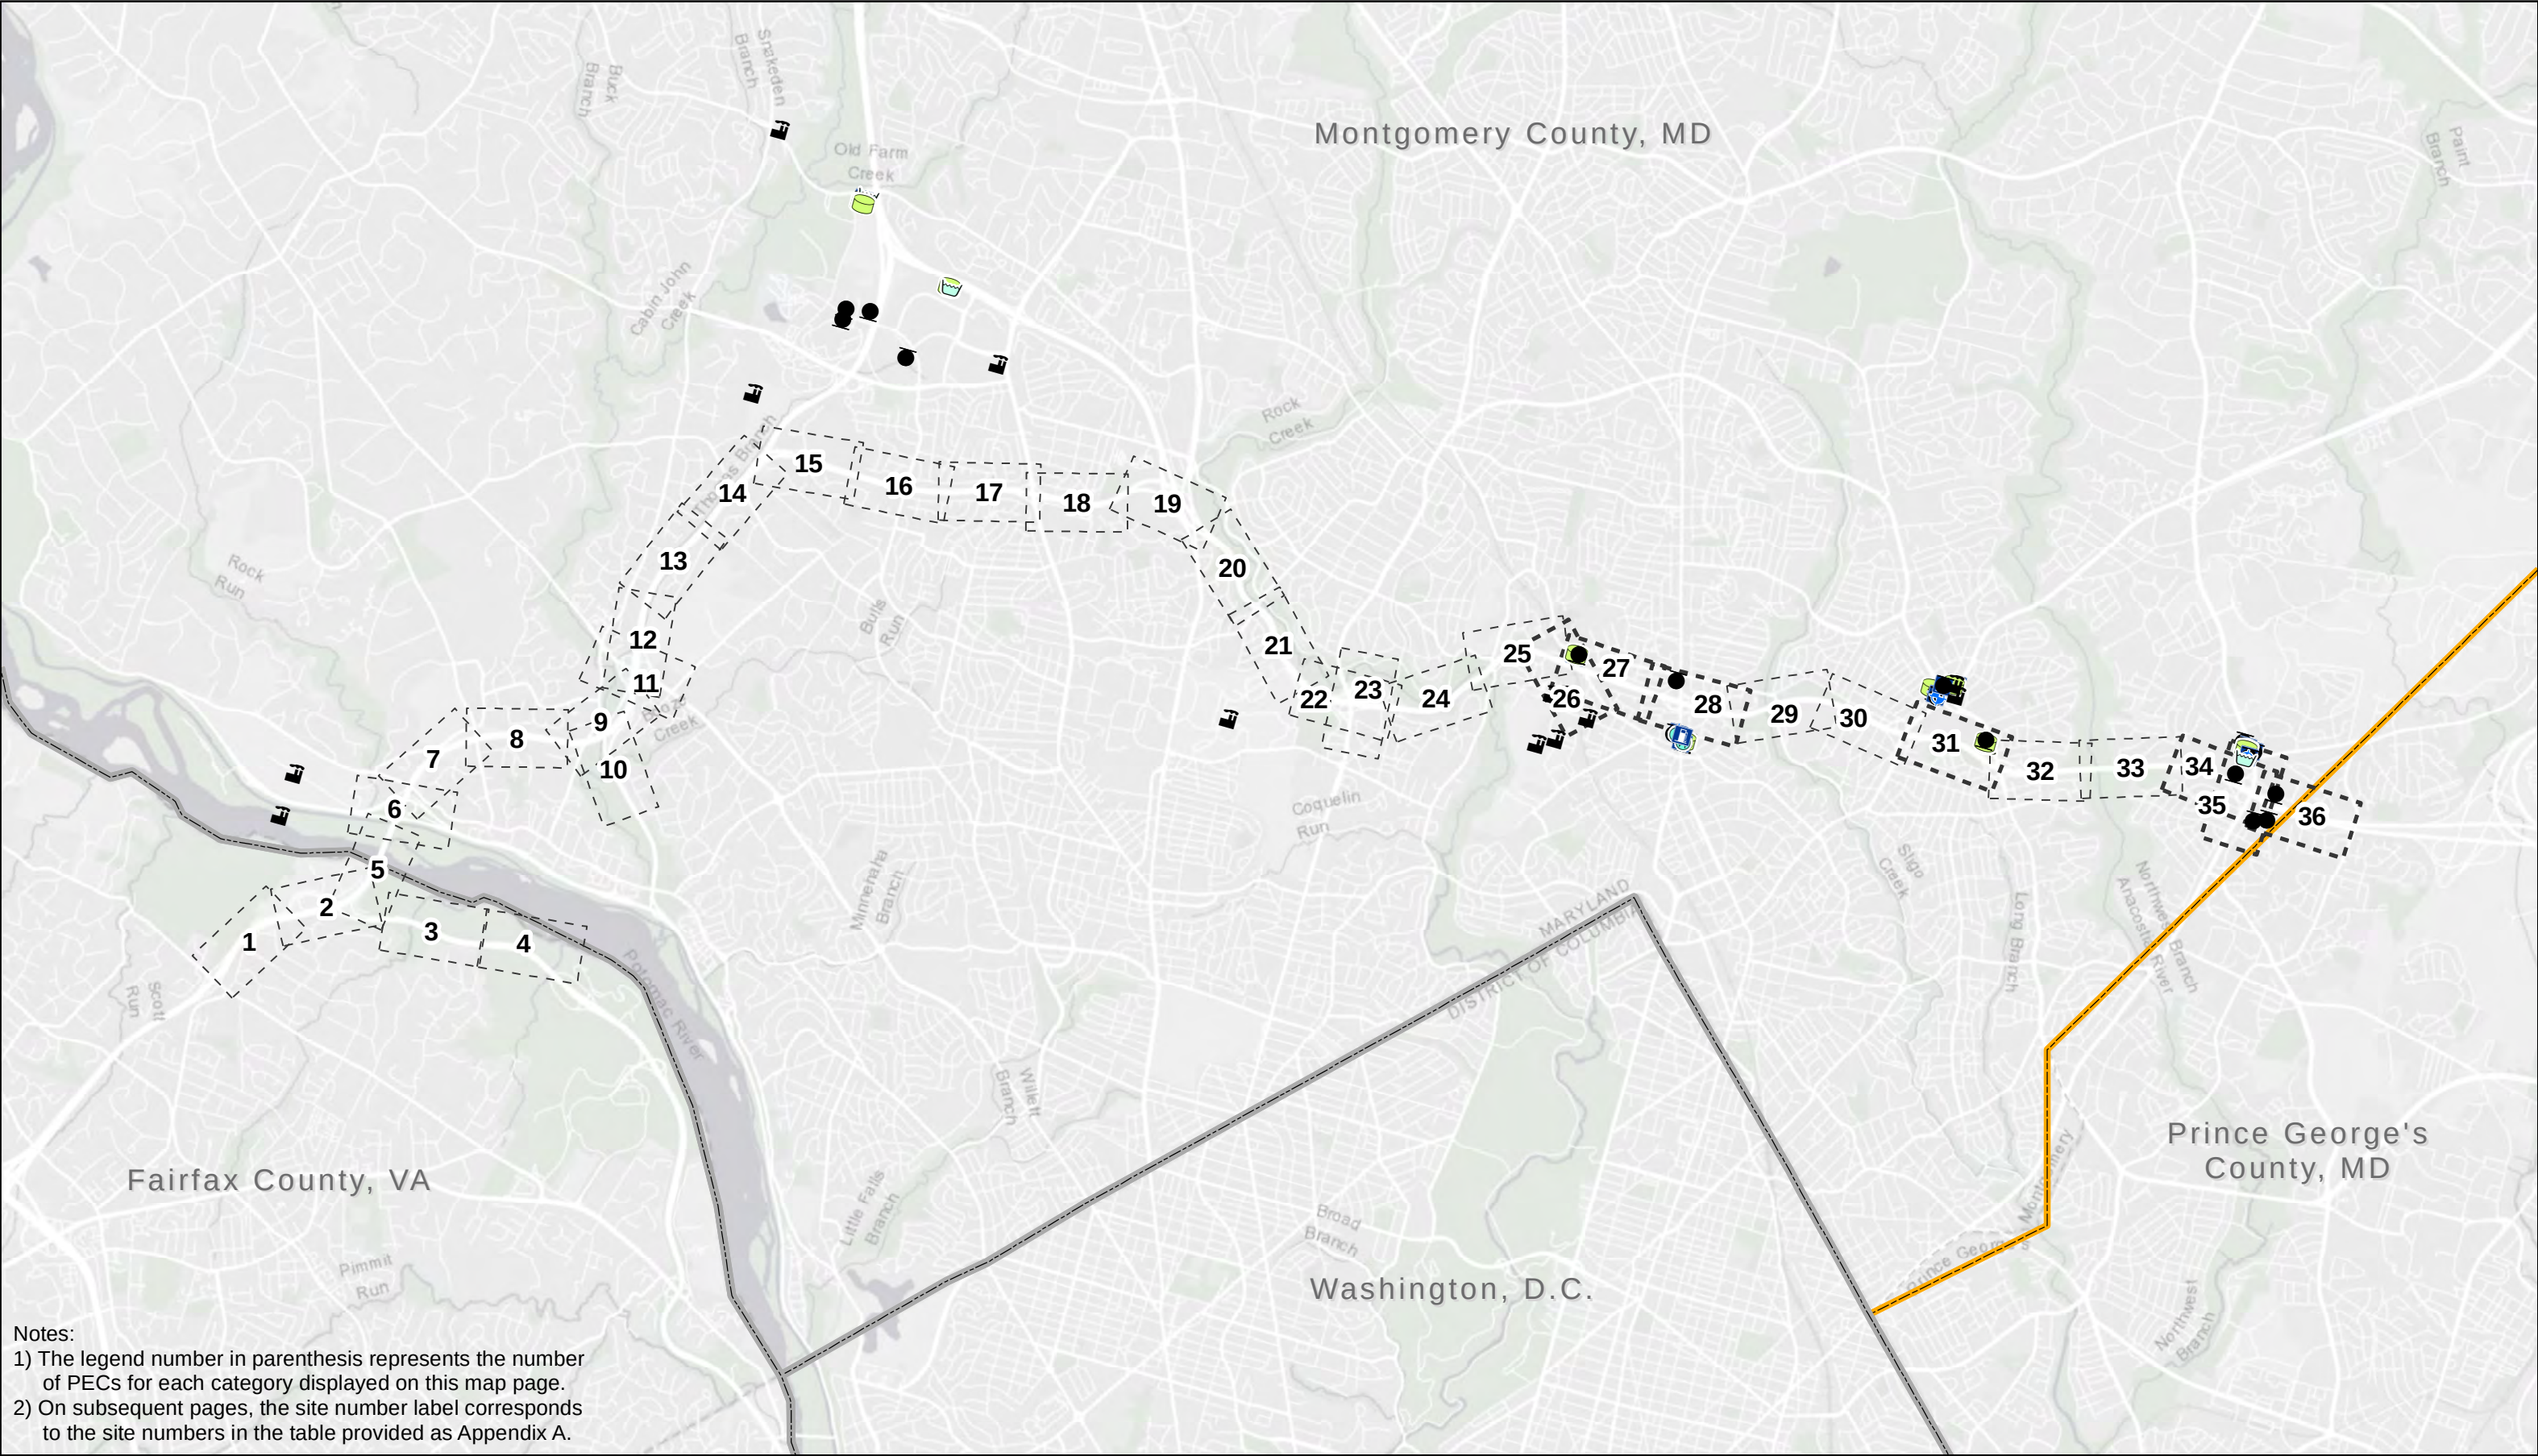

Notes:
1) The legend number in parenthesis represents the number of PECs for each category displayed on this map page.
2) On subsequent pages, the site number label corresponds to the site numbers in the table provided as Appendix A.

Legend			
State Boundary	Aboveground Storage Tank (84)	Fuel Dispenser (47)	Soil Stockpiles/Cut & Fill Area (10)

Notes:
1) The legend number in parenthesis represents the number of PECs for each category displayed on this map page.
2) On subsequent pages, the site number label corresponds to the site numbers in the table provided as Appendix A.
